ACTING MUNICIPAL MANAGER**

TERMS OF REFERENCE FOR PANEL OF SERVICE PROVIDERS FOR ELECTRICAL AND ASSOCIATED SERVICE FOR A PERIOD OF 3 YEARS AS AND WHEN REQUIRED.

1. BACKGROUND

Amajuba District Municipality is looking for service providers with Electrical Services on Amajuba District Municipality's panel of service providers for the provision of Electrical Service within Amajuba District areas as and when required. The validity of the service providers' existence on the panel of service providers shall be for the period of three (3) years. The request is hereby made for the submission of service provider profile for registration Electrical Service. Service providers must be registered with CIDB 2EP/EB

2. OBJECTIVES

Amajuba District Municipality intends to respond urgently to electrical repairs, electrical equipment in all water and sewer pumps, treatment plants, operation and maintenance of all ADM pump stations.

3. REQUIREMENTS.

3.1. CIDB 2EP/EB or Higher.

4. CONDITIONS OF PANEL.

4.1. BID DOCUMENT LAYOUT.

This tender document is divided into several sections. Please read through all the sections. In particular, the Conditions of Tender are most important, as they contain several new clauses in the light of the procurement policy and please take note of the conditions of tender and the list of required documents to be handed in, seeing that non-adherence to these requirements can lead to non-responsiveness of tender.

4.2. SUBMISSION.

Your completed tender document must be placed in a sealed envelope, and the contract number and name of the contract written clearly on the outside. The envelope must be deposited, in accordance with the instructions in the Tender Advertisement. It is the Service Provider's responsibility to ensure that their bid is deposited in the correct tender box. No bid document delivered at any other venue or tender box than the mentioned one will be considered.

4.3. SCOPE OF CONTRACT.

To do any electrical repairs, design and install panels, electrical fault finding, electrical installation, electrical repairs, electrical motor/armature winding and all other electrical components or asset of Municipality that need electrical services and electrical programming system equipment in all water and sewer treatment works and buildings/Assets.

Service should be provided as and when required even after normal working hours for emergency work and breakdowns.

Service should include provision of labour, spares and any materials required to accomplish electrical service.

Service should include servicing of any other electrical services that might be requested by Municipality.

4.4. PANEL VALIDITY PERIOD.

The panel listing validity period is valid for 36 months.

4.5. ACQUAINTANCE WITH TENDER DOCUMENTS.

By submission of a tender, the Tenderer will be deemed to have acquainted himself/herself fully with the tender documents, local requirements and the laws prior to pricing and submission of tender.

5. ELETRICAL SERVICE.

5.1 SCOPE

To do any electrical repairs equipment in all water and sewer treatment works and also Amajuba building and asserts.

Service should be provided as and when required even after normal working hours for emergency work and breakdowns.

Service should include provision of labour, spares and any materials required to accomplish electrical service. For any other relevant scope that is related to should be outsource according under you contract of service if you don't have such service.

5.2. HEALTH AND SAFETY

5.2.1. Occupational Health and Safety Act 1994 (Act No. 85 of 1993)

5.2.1.1. The Service Provider shall comply with the Occupational Health and Safety 1994(Act no. 85 of 1993) and with its Construction Regulations of 2014.

4.2.1.2. All the works included in this Contract shall, for the purpose of complying with the OHS Act and the Construction regulation, be deemed to be “construction work”.

5.2.1.3. It should be noted that, with a few exceptions, the Standard Specifications and the Project Specifications are “end product specifications” and not “method specifications”. As the method of construction to be used are generally determined by the Service Provider, detailed safety requirements applicable to all the operations to be carried out on Site are not provided in the project documentation. The Service Provider shall apply all the relevant safety requirements to the work methods and materials used.

5.2.2. Protective Equipment

The Service Provider shall provide all his/her workers with all necessary protective clothing for use at all time when in direct contact with the sewage debris/silt material.

5.2.3. Hazardous gasses

All Service Providers who will be working with live sewers shall be required to observe those sections of the OHS Act and Regulations which deal with working in confined spaces and dealing with hazardous gasses. All manholes and sewers shall be tested for hazardous gasses on a continuous basis to ensure worker safety. The Service Provider shall ensure that the necessary functional gas testing equipment is always available on site. Breathing apparatus shall be available as and required.

5.2.4. Vaccination certificates

The successful Bidder will be required to provide proof of applicable vaccination certificates on request to ensure the health and safety of all field employees.

5.2.5. PERSONNEL

4.2.5.1. The Service Provider's approved representative for cleaning shall be in attendance during all cleaning operations

5.2.5.2. The attention of service providers is particularly drawn to the high standard of workmanship applicable to this contract.

5.3. VEHICLES, PLANT and EQUIPMENT**5.3.1. Roadworthy, license and identification**

5.3.1.1. All vehicles to be used for this contract are to be roadworthy and licensed for use on public roads at all times and must make provisions for the safe and lawful transportation of workers. Those vehicles used to transport debris removed from sewers must be able to do so in a safe and non-offensive manner and must have the Service Providers name and telephone number prominently displayed. All vehicles to be used for this contract must conform to the Road Traffic Act RTA, Act 93 of 1996.

5.3.1.2. All vehicles, plant, machinery, equipment and containers used on this contract must be in a serviceable condition and must be readily available for inspection to ensure that it is to specification and must meet with the approval of the employer.

5.3.1.3. The vehicle and equipment shall bear the Service Provider name and contact details.

5.3.1.4. Extreme care must be taken to prevent any spillage and suitable tools shall be available to immediately clean up any spillage.

5.4. AVAILABLE FACILITIES**4.4.1. Facilities**

No toilet, water, electricity or storage facilities are available, and the Service Provider is to make his own arrangements with regard thereto.

5.4.2. Water Supply

The Service Provider shall make his/her own arrangements for the supply of water for the operation. Only Council metered standpipes shall be used, and these can be obtained from the municipality against a deposit. Normal charges will be levied for water consumption.

5.5. SPECIAL CONDITIONS**5.5.1. Awarding of tender**

The municipality will award the tender as an when required by requesting quotations from the approved panel of service providers.

5.5.2. Supply all equipment

Service Providers are to supply all equipment required to undertake and complete the work as specified and no additional payments will be entertained.

5.5.3. Damage to infrastructure

The apparatus and methods used shall not cause any damage to pipes, manholes, property or fixtures and any damage as may be caused will be repaired by the Council at the Service Provider's expense.

5.5.4. Cease work

The Council's representative may instruct the Service Provider to cease work if the desilting method is deemed to be unsatisfactory, a danger or inconvenience to the public.

5.5.5. Communication

The Service Provider is to provide his supervisory and operational staff with cellular phone for communication and contact purposes for the duration of the contract.

5.5.6. Office Hours

Site office hours are 07h30-16h15 on weekdays for administration purposes.

5.5.7. Subcontract

No subcontracting will be allowed.

5.5.8. Signing off task

The Service Provider shall, prior to departure from site, advise the relevant Council representative of completion of the task. The Council representative will have sole discretion if the work has been completed satisfactorily and will be required to sign off the worksheet for the task.

6. RETURNABLE DOCUMENTS.

Service providers are required to submit the following:

1. Proof of company registration
2. Certified ID copies of all members/directors of company or sole proprietor
3. Bank details (together with an original cancelled cheque/ bank stamp or original letter from financial institution)
4. All MBD (MBD1, MBD4, MBD8 and MBD9) documents included must be completed and signed
